As for the 1984 season, the estimated expenses are \$10 000,00, and the estimated revenues based on this year are \$9 000,00. This will bring about a \$1 000,00 deficit. To cover this deficit players's fees will have to be raised by no less than 6,00 and possibly by \$8,00.

If you have suggestions to keep the fees down, please feel free to come forward. We will be more than willing to listen.
