Dear members,

First of all, I want to welcome you at our banquet and thank everyone for making this year such a successful year. Special thanks to all coaches, managers, statisticians and executive members who donated their time again to assure the success of our Club. A special thank also to Comité Culturel for giving us again this year an employee. Special thanks also to Teresa and Billy for taking such an active part this year. It is evident that without the co-operation of all of these people, Club Frontenac would not exist.

I would like to also note the fine work of Jimmy Moore, the Tribune Sport Staff and to specially Rob Potter of the Port Colborne News. We must not forget our sponsors who contribute so much to our Club.

I would like also to congratulate all our winners and everyone who competed in the three sports this winter for contributing to the success of their League. At this time I would like to mention 3 teams that displayed so much heart and sportmanship eventhough they failed to win. They were Badavey in A-League, Birdland in "Rec"-League and Badavey in Volleyball.

I would like also to defend our draft system. We know that there's always room for improvement but if we look at the play-offs in the 4 Leagues this year, all first-place teams were beaten. Most series went to the limit and 3 of them needed an extra game. Our draft aims to equalize teams. This year's final results seem to indicate that our draft system is serving its purposes.

To conclude, I wish on behalf of next year's executive to welcome you again for the coming year and to work to make our Club an even better organization.

Flo Cloutier
Past-President

P.S. I would like to thank Sue Cloutier, Laurette Cloutier, Mariette Dagenais and the various statisticians for contributing their time in preparing this booklet.

On behalf of all the Club Frontenac member, I wish to offer our sympathies to the Doug Minor Family and also to Liz Simon.

Coaches are needed for next year. So far, we have persons who have indicated that they might coach during the 1979 - 1980. Interested persons should call Fred Grondin or Gaston Forest.
