

Hockey Banquet

1982

1983

Badouey - Woelfle - McNeil
Divisions

Dear Members,

At this time, I would like to welcome everyone to our Hockey Banquet which closes our '13th' hockey season.

I sincerely feel that we had a very successful year. Again this year, many people were totally involved in making sure that the three leagues operated successfully. Special thanks to all of our chairmans, Roger, John, Wayne and Jean-arc; to our treasurer, Ken; to our publicist and secretary, Sue; and to our statisticians, Wayne, Jean-arc and Jim for their fine work. I would like to add my personal thanks to Ken and Roger for their tremendous work this year and to Sue for another great effort as publicist. Our coaches and managers also deserve our sincere thanks for their contribution.

I know that some of you people criticize freely the executive. Some might be deserved, but most of it is simply emotions taking over common sense. If you feel sincere in your criticism, please feel free to come forward and share the work in operating the League.

I would also like to thank the Evening Tribune, the Port Colborne News and the C-HOU staffs for reporting results of our activities.

Finally, our sponsors. Without their financial help, where would we be? Thank you from all of us.

As for next year, there will not be too many changes. In the McNeil Division we plan to bring up the use of the 'slapshot' and in the Woelfle Division, the possibility of taking away the 'red line' is there.

On the financial side, registrations were cut by \$5.00. Playing fees will remain the same. Registrations are being taken at Benner's Sporting Goods for next year.

Have a wonderful evening and a beautiful summer.

Flo Cloutier
Club Frontenac President

continued

P.S. This year was probably the year with the least violence and certainly the most enjoyable for the hockey players. A number of persons have complained to us about the 1-year suspensions given to three of our hockey players. Yes, a suspension is severe, however, we want to eliminate all acts of violence in our league and we feel that this is the only way to achieve our goal. It is only the start and next year will not be any different.

I would like to say a special thanks to our referees for their fine work this year; to Jimmy and to Ray, for their leadership in their association.
