DIVISION

Dear Members,

Welcome to our 21st Hockey Banquet. Considering the many internal problems that we had, mostly minor, the year went quite well.

Please note carefully that many people give a lot of time to make our League as successful as it is.

We must offer thanks to many. Our executive Dave, Marcel, Kevin, Wally and Carson who gave a lot of time in running the League.

Also special thanks to all the coaches and managers for their fine work. To Ken for his many hours he puts in preparing the stats and to our timekeepers who do a super job.

Thanks also to the referees for their fine work. I'm not hiding the facts that a few people complain specially when they lose, but we feel quite comfortable with their work. We know they do their best, that's all we can ask for. A special thank you to Jimmy for coordinating the system.

I would also like to congratulate all the individual winners as well as the League & Playoff winners in all four divisions. Also, I wish to congratulate all teams for the fine sportsmanship specially evident during playoffs.

To conclude, I wish to add that we are quite pleased with the success of the Oldtimer Division which started this past year. Next year we hope to expand to six teams. By playing the majority of the games on Friday Nights, more players will surely be attracted, thus making it possible to fill 6 teams.

As far as next year, playing fees will remain the same with the possibilities of rebates to players and teams as it was done this year.

REMEMBER Registrations for McNeil, Porter & Woelfle Divisions will take place at Buckner's all Summer.

Registrations for the Oldtimer Divisions are taken only at sportspot.

To conclude, have a safe and enjoyable Summer and hope to see you all in September.

Thanks,

Flo

* * * FULL FACE SHIELD NOTICE * * *

As stated before, all players in the Porter, Woelfle and Oldtimer Divisions must wear a full face shield beginning in September 1991. No one will be allowed on the ice without the full shield. That includes pre-season practices.

Being a rule, it becomes a liability issue. We have received a letter last week from the Referee's Association urging us to adopt the full face shield. The Club Frontenac Executive strongly supports the adoption of this rule. The Referees, the Coaches and the Executive must be protected against any claims of liability.

Some players strongly object to it, some Referees don't care either way, some members of the executive would rather forget this issue, but all members of the executive agree that the full shield must become part of the players' equipment.

NOTE: The full face shield must be CSA approved and cannot be altered in any way.
In september of 1992, all players in all Club Frontenac Divisions will be wearing it.

* * * * *

ONE LAST NOTE: Many thanks to everyone who contributed to the Thompson Fund and specially to Kovtek and Buckners who were more than generous.

P.S. Gary and Angela wish to thank all the Club Frontenac members for their generosity.

Again we wish to thank our sponsors for their financial help so needed for the successful operation of our activities. We urge all our members to patronize establishments.

NOTE: Do not worry about the 90-91 deficit. We had to supply 19 new sets of shirts this past year and we still have 5 new sets on hand. As for next year, we should expect to be on the plus side.

Also, this past year, we gave a rebate of \$3,600 to players and teams.

Finally, the ice time amount paid to the City is only an estimate since we did not receive our final bill. However, this amount should be very close to the exact amount. Whatever difference there is, it will be added or subtracted on next year's financial statement.

P.S. Also not included in this statement is the loss of our cash box with about \$100.00 in it.
