Dear Members:

Welcome to our first Mixed Slo-Pitch Banquet.

As we stated prior to the opening of the season, this league was a new experience and we were preparing ourselves the best way we could but we knew we would face many unforeseen problems. As it turned out, we were able to form a league with 8 teams and operate it very successfully thanks, to many people.

First of all we must offer thanks to Sue for doing so much this summer, to Betty for taking care of stats. She did the best job a person could do, unfortunately, a few coaches did not cooperate and her job became almost impossible to do.

Also, a special thank-you to all coaches for their cooperation among themselves. If the league turned out to be a pleasant experience, they are mainly responsible.

Finally we must not forget to say thank you to our umpires for their very good work, to Paul for scheduling them and at last to our sponsors for their financial help.

As for next year, a few improvements are needed.

Our rules have to be revised especially playoff rules and especially find a way to prevent coaches from bending them to their advantage as it was done this summer in a few cases. We are hoping to get better playing fields also. Easier said than done.

The cost to enter the league will not go up next year; however each player and coach will have to pay their \$5.00 membership. The club needs that money to operate e.g. running an office, etc...

Also we plan to "have to expand". As of now 2 more teams have already contacted us to join next year.

NOTE: If your team intends to come back next year, a \$200 deposit will have to be paid by March 30th 1989. After that date, we will operate a first come first serve basis and accept teams until the league is filled up.

Again, thanks to everyone who contributed this past summer. Have a wonderful evening and hope to see you all next summer.

Flo Cloutier

P.S. - I forgot to mention the sport staffs of both local newspaper.
Thank you.

- Also, we surely cannot forget Moe Richard and O.V. for doing so much for us this summer. O.V. was more than generous fo our Tournament and for our banquet tonight. Moe, thank you again.
