BOWLING

EBucci

Dear Members,

I wish to welcome you to our Bowling and Volleyball Banquet.

On behalf of Club Frontenac, I want to offer special thanks to Sue, our Ladies' Volleyball Chairman and to her executive, Mariette, Kyle, and Josie and to all the captains for their fine work. A special thanks to Darlene, Linda and Kyle for running the Tournament.

As for the Mixed-Volleyball, a special thanks to the executive members, Sue, Teresa, Laurette, Ray and to all the captains for their great help. A very special thanks to all the people who drafted teams and good luck to Teresa, our new chairman.

I want also to offer thanks to the Bowling Executive led by Fred as chairman who was helped by Josie, Jackie and Andy.

We sure must offer special congratulations to both City Tavern and Signs N' Designs for their fine year.

To conclude, I wish to bring out the fine sportsmanship of all players throughout the years and to our 2 referees Dorey and Pam for their tremendous jobs.

Finally, it is obvious that we fouled-up during the mixed playoffs; however I want to assure you that we will not have that same problem next year.

Flo Cloutier

P.S. As for next year, no major changes in mixed volleyball. We plan to have a mini volleyball camp for all rookies before season starts.

We are also hoping to move to a High School Gym

As for Ladies' Volleyball, there will be a major change. We will operate as this year a League on Monday night but we hope to operate a Competitive League, B-Division, on Thursday nights. This league will not operate by a draft system. We will accept teams. Entry Fee:\$360.00 per Team. This is based on a 4-Team league. With more teams, entry fee could be lowered.

Again we wish to thank our sponsors for their financial help so needed for the successful operation of our activities. We urge all of our members to patronize these establishments.

There are a few members that complain about the high cost of playing Volleyball in Club Frontenac. As you can see, running 2 Volleyball leagues has not been totally a money making venture for Club Frontenac. How are these deficits covered? They are covered by the Main Executive account which gets its money by the \$5.00 membership fees that it collects from each member each year.

If these high playing costs do suit your personal financial budget, you have 2 alternatives:

- a) Quit Volleyball
- b) go join another league, fees are sometimes cheaper but you'll also get what you pay for.

Any more questions? Problems?

You are more than welcome in the executive.
