Members:

I wish to welcome all of you to our annual Bowling-Volleyball Banquet and thank you for attending. Hope you have a good time!

As you all know, we are very thankful to our sponsors for their support and hope you will all support them whenever possible.

I would like to thank John and his executives on Tuesday night volleyball for their fine job and also the captains.

Thanks goes to Sue and her executives and captains for their fine work in womens volleyball on Mondays.

Tuesday night bowling went very well, thanks to Fred, his executives and captains for their hard work.

Last but not least, I would like to thank all those people who have helped me this year to keep Friday night volleyball going. There are far too many people to mention, but you all know who you are. THANKS!

There were 22 teams playing Friday's, so I guess you can say it was a successful year. Remember to sign up early at Buchner's, because we won't be able to accommodate more teams.

A note of appreciation to all the referees and scorekeepers who have put up with all of us. Hope to see you next season.

I am sure many of you have heard that the membership fee is going up to \$10.00 for this coming season. I want you to understand, it wasn't just because a women became president, but because it was necessary for the operation of Club Frontenac.

In closing, I would like to mention it was a year to remember as Club Frontenac President, and thanks for the experience.

Josie Lacharity  
Club Frontenac President
